FINDING THE BOOK ON THE SHELVES

 **Research methods in health : investigating health and health services / 2014.**
Bowling, Ann,
9780335262748 (pbk.) :
362.10721
Bowling describes the range of methods that can be used to study and evaluate health and health care. Designed for students in a range of health care disciplines, this text is also suitable for those who need to apply research findings in practice.
✔ Libraries have copies available now
> **Reserve**

Click on the book you want and scroll down to **Item details** this will show how many copies we have and the classmark of the book e.g. **362.10721 BOW**, use this to find the book on the shelves.
